

Just One Mom to Another

is a six week parenting class for expectant mothers. It is designed to share the love of Christ in a supportive environment, to develop parenting skills based on Biblical principles and to promote healthy parent and child relationships.

Realizing that just learning about basic baby care is not enough to get moms through difficult times as parents, the focus of **JOMA** is to make them aware of how important the first block,

Commitment to Jesus, is to their relationships with their children.

This six week program provides an opportunity to share Christ, **JUST ONE MOM TO ANOTHER**. The class meetings weekly and is composed of expectant moms and mentors. These mentors, as dedicated volunteers, make themselves available for the purpose of encouragement and prayer. Together the moms and mentors talk about building a strong foundation for Christian parenting.
